EXHIBITOR INFORMATION

Site Information

Competitor Sites

- Site references AA to HH (Site numbers 185 to 200)
- Competitor sites are aptly named as they run parallel to the direct route leading up to rings 2,3,4,5 & 6 meaning that all competitors, grooms, owners, friends & family walk right past your stand every day. The cost includes open space only, however marquees are available for hire at an extra cost on request.
- Traders exhibiting on competitor sites benefit from additional days trading at both shows, (Wednesday 22nd June & Tuesday 26th July) which they are required to open for.

Please note: The horse walk is re-routing around the back of the Bunn Leisure Arena but Competitors' Row will still be the route for pedestrians to take from the Stablefield to the outer rings.

The Charles Owen Shopping Village

- Site reference A to H (Site numbers 90 to 122 & 129 to 170)
- Prices include open space only, however marquees are available for hire at an extra cost on request.
- Main retail area, including catering court, picnic area and fun fair, along with a big screen showing advertising and highlights from the International Arena.

Retail Sites

- Site reference AA to HH (Site numbers 12 to 59 & 75 to 79)
- Prices include open space only, however marquees are available for hire at an extra cost on request.
- Retail sites are predominantly positioned on roadside locations, mainly the International Arena perimeter road, therefore exhibitors benefit from a high volume of footfall.

Shedding Sites

- Site References SS to WW (and new area site refs II) (Site numbers 4 to 9, 60 to 68, 125 to 126, 172 to 181 & 220 to 231)
- All shedding sites are predominantly positioned in prime retail areas, mainly covering the International Arena perimeter road.
- Price includes marquee (6m deep) with wooden floor, banner rail and 3m long fascia name board. For an additional cost, exhibitors can add lining, carpet and/or matting.

Home & Lifestyle sites

- New for 2015 these 3x3m shedding sites proved to be popular as they are positioned in a prime area on the International Arena perimeter road and next to one of our catering courts. Each site includes a marquee, wooden flooring, carpet, banner rail and a name board.

Only sites on Competitors' Row are required to be open on the first day of each show (Wednesday 22nd for the Derby & Tuesday 26th for RIHS). These are national jumping competition days only, and there are no classes in the International Arena. For the majority of exhibitors, this day is generally used as a set up day and you are **not required to be open**.

TRADE VOUCHER INITIATIVE

Our trade voucher initiative is designed to support Hickstead's traders and aid in maximising footfall to your stand through publicising your presence at Hickstead and communicating a discount offer to the spectators and competitors.

To apply, complete Form Five detailing your offer and send it in along with a high res copy of your company logo. A voucher will be designed for you and published as part of a PDF document accessible on our website and Facebook page, as well as being marketed as part of Hickstead's eNewsletter.

MARQUEES, GAZEBOS & TRAILER UNITS

Weakly structured marquees/ gazebos are strictly prohibited on the showground. Any structures brought to the show are required to withstand up to 40mph winds. Marquees are available to hire through Hickstead should you require one. If your structure is deemed by Hickstead to be too weak, unsafe or untidy, you will be required to hire a marquee through Hickstead at full price.

Any exhibitor wanting to bring a trailer unit to the show is required to inform the trade stand office that they wish to do so. Where possible we endeavour to get all trailer units sited prior to other exhibitors entering the showground, exhibitors need to be aware that they may be required to bring their unit onto the showground the day before official set up commences.

DELIVERIES

Any letters or packages delivered to the showground must be addressed as below:

Stand Name & Number
C/O Trade Stand Office
The All England Jumping Course
Hickstead
West Sussex RH17 5NU

Any deliveries made during opening hours will remain with security guards at the gate until the show is shut. Any deliveries made that require a forklift will accompany a charge, and will only be made if and when a member of staff is available.

Hickstead does not accept responsibility for lost or damaged items.

ELECTRICITY

Each electrical socket provides a supply of 500w, and is live from when the show opens to the end of the last day of the show. Exhibitors are asked to carefully consider their requirement of electricity and order the appropriate supply in advance of the event. During the inspection of exhibitions by the showground electrician, any exhibitor drawing an excessive supply will be charged accordingly for additional connections, at a price deemed appropriate by the showground electrician.

Those providing electrical equipment for their own use should, prior to it being connected to a supply, arrange for it to be inspected and tested by a competent electrician and a label affixed to it and a certificate issued clearly stating the date of the test and the name of the electrician performing the test. Electricity will not be supplied to the stand until the relevant certificate or the appliance concerned has been inspected by the Event Electrician.

THE USE OF KETTLES, COFFEE MACHINES AND HALOGEN LIGHTING IS STRICTLY PROHIBITED.

Connectors will be available for purchase from the showground electrician contractors at the cost of £10.00 per connector.

FOOD MARKET & CATERING

As well as our two food courts, we have a food market and street food area in a prime position just off the main ring road. With over 5000 competitors over both shows staying onsite it is a great opportunity for those wishing to sell food and drink for them and the general public to take away with them.

Please contact hannah@hickstead.co.uk for more information.

For information and applications for catering units, please contact Simon Gaskin on 01273 834315 ext 108 or simon@hickstead.co.uk

TICKETS & PASSES

Each exhibitor will be allocated a number of wristbands in accordance with the size of their pitch (See Page 12 for details).

Please ensure exhibitor wristbands are correct and distributed to the relevant personnel prior to entering the showground. Access to exhibitors will not be permitted unless the relevant passes are held, to include build days. Exhibitors entering the showground without the relevant pass will be charged the public admission price and no refunds will be offered.

Exhibitors will not receive any passes until their stand has been paid for in full. Access into the showground for set up will be denied without passes.

AWARDS

All traders exhibiting at Hickstead will automatically be entered into the following competitions:

The All England Best Equestrian Stand

The All England Best Non-Equestrian Stand

Both awards will be judged in 2 sections:

Appearance of Stand: we will be looking for an attractive and well laid out display, which is nicely organised and inviting to the public.

Quality of Service: staff need to be knowledgeable, friendly and helpful, providing a high level of overall service.

The winners will be awarded a prize card and rosette to display on their stand as well as a £200 voucher for a 2016 stand at either the Equestrian.com Hickstead Derby Meeting or the Longines Royal International Horse Show.

'Secret shoppers' throughout both shows will judge the competition, and the winner will be announced at the Longines Royal International Horse Show.

ADVERTISING, MARKETING & SPONSORSHIP

We offer a range of bespoke sponsorship opportunities across the Hickstead platform to promote your company to the thousands of spectators and competitors who attend the shows.

For details on advertising and sponsorship opportunities at the All England Jumping Course, please contact Simon Gaskin on 01273 834315 ext.108 or simon@hickstead.co.uk

Handing out flyers during shows is strictly prohibited.

Screen Advertising

If you would like to advertise your business and promote your trade stand on the screen located in the centre of the Charles Owen Shopping Village (next to the catering court and picnic benches) then please contact Hannah on 01273 834315 ext.111 or hannah@hickstead.co.uk

WELCOME DRINKS

There will be a welcome reception for all traders at the Longines Royal International Horse Show. Details will be sent out once the trade space has been booked, along with the exhibitor manual and passes.

INTERNET, WIFI & GPRS

We are aware that, for reasons beyond our control, signal for credit card terminals during peak times at the shows is not always strong enough to process transactions. Whilst we are looking into a solution, there is difficulty in finding one that will work for all the different types of terminals that the exhibitors own. In order to give you as much guarantee as possible that your terminal will work we have put together three options to accommodate the different terminals you already own. We are offering telephone lines, Internet connections and Wi-Fi direct to your stand. In partnership with 123Hire, we can also arrange the hire of a terminal for use during the show using one of the connection types as listed above. To order a credit card terminal (PDQ) for your stand and for more information on the order process, please visit <http://www.123send.net/hickstead/>

DESCRIPTIONS & EXCLUSIVITY

Please state your description on your application form for inclusion in the programme (we cannot promise that late applications will be included), the Hickstead official website and the Hickstead App.

Due to several exclusivity contracts, Hickstead will have the right to remove your exhibition site from the showground if your description is untruthful or misleading in any way. No refund or expenses will be given. For 2016, we will not be accepting any exhibition sites who fall within the following:

Equestrian Clearance

Hickstead will not accept any trade exhibitor wishing to exhibit/trade using the title/wording Equestrian Clearance, or, any such abbreviation suggesting equestrian clearance, within their trading title throughout any of the Hickstead horse shows.

Arena Surfaces

Due to exclusivity agreements, Hickstead will decline any trade applications relating to all-weather riding surfaces and arena construction.

The Longines Royal International Horse Show Only - Hickstead forbid any advertisement, promotion and sale of products of manufacturers or distributors of watches, clocks, jewellery, timepieces and/or other equipment which is directly or indirectly related to timing, watches, clocks, jewellery, timepieces, timing devices, sports timekeeping, countdowns, or scoreboards, as well as jewellery brands associated with watches where the majority of the watches are in a comparable price segment as Longines watches. Please find a full list under our terms and conditions.

Any exhibitor found to be exhibiting any products relating to the above restrictions will be asked to cease trading/remove the product from their stand. Exhibitors will not receive any compensation from the organiser for any losses/costs incurred.

Please contact Hannah on 01273 834315 ext. 111 or hannah@hickstead.co.uk if you are unsure on whether you may fall into any of these categories.

RISK ASSESSMENT

For health and safety reasons, all exhibitors are required to carry out a risk assessment for their stand, a copy of which **MUST** be completed and returned with the trade stand application form. This must include the build-up and break-down periods, and must fully assess any risks to exhibitors, contractors, organisers or staff working or visiting the Showground during this period. It must also include any risks to the public during the open period.

Undertaking your risk assessments:

It is a legal requirement that each exhibitor undertakes their own risk assessments prior to the event, listing the tasks and identifying the hazards present on site – then devising ways to minimise and control those hazards. Exhibitors may otherwise be liable to heavy fines and prosecutions. Please take into account the work practices and exhibits.

How do I go about undertaking a risk assessment? By Law, it must be suitable and sufficient – but it must also be simple to both understand and implement.

Look for the task/hazard:

What equipment, materials and chemicals will be used? How much noise and dust will there be? What are the ground conditions? What vehicle movements and lifting operations have to be considered? Schedule a “late working rota” to avoid tiredness and mistakes. Any electrical installations? What hazardous exhibits do you have? How are you disposing of packaging and waste?

Decide who could be harmed and how: Who will be affected by your work and who is most at risk? Think of employees, contractors or exhibitors on or near your stand, through to the visitors and public themselves. Safe working depends on co-operation between all the firms on site. Take this into account and consider necessary precautions on every aspect of the work being carried out, which include training and the provision of information to all the different parties who are at risk.

Evaluate the risks: Once you have done this adequately, you can then decide on the appropriate action. Ask yourself:

- a) Can the hazard or risk be removed completely or done in a different way?
- b) If the risk cannot be eliminated, can it be isolated, controlled or reduced?
- c) Can protective measures be taken that will protect the entire workforce on site? Protective clothing should only be the last step to take, and is often not the only solution.

Record the findings: Write down the findings of your risk assessment. Pass on information about significant risks to those people identified in step 2, and record what measures you have taken to control those risks for future reference.

Review your findings: This allows you to learn by experience and take account of any unusual conditions of change that occurred on site. In all stand building cases (especially steelwork erection and lifting), the foreman and/or Principal Contractor should draw up a specific Method Statement and go through it with your contractors in advance of the show.

Please note that this information is intended as guidance only. Further advice may be obtained from the Health and Safety Executive at www.hse.gov.uk.
